

NEWM N-503 Digital Media Applications and Design Processes

Department of Human-Centered Computing
Indiana University School of Informatics and Computing, Indianapolis
Fall 2022

Section No. 25411 Credit Hours: 3
Class: Monday Evenings 6:00pm – 8:40pm
Location: IT 256
First Class: August 22, 2022
Website: <https://canvas.iu.edu/>
Instructor: Prof. Joseph Defazio, Ph.D.
Office Hours: By Appointment using Zoom scheduling
Email: jdefazio@iu.edu
Website: <https://soic.iupui.edu/people/joseph-defazio/>

Prerequisites: None

COURSE DESCRIPTION

This course presents the principles and fundamentals of design techniques using authoring tools on Windows, Apple/Mac and emerging computer platforms. Included are storyboarding, planning and organization of scripts, use of current technology, computers, video and digital arts equipment; computer-assisted design and project planner software tools and management of design team concepts.

EXTENDED COURSE DESCRIPTION

This course focuses on the design process using digital applications as the ‘vehicle’ for application design for Web, Desktop, Smartphone, virtual reality, augmented reality, and the Internet of Things (IoT). The Internet of things (IoT) is a network of connected physical objects – also referred to as “connected devices” and “smart devices” – designed to collect and exchange data to improve the performance, functionality, and efficiency of a larger digital ecosystem. This course examines the following subjects: media & sensor technology; information retrieval; semantic web technology; mobile systems; gaming and simulations; security and privacy; innovation and design thinking.

Required Text(s): Materials are available in Canvas/Files

Title: The Essential Guide to User Interface Design 2nd Edition
Author(s): Wilbert O. Galitz
Publisher: John Wiley & Sons, Inc.
Available in Canvas/Files

Required Reading(s) – sample list:

- Visual Design Solutions – Principles and Creative Solutions
- Design Thinking: An Introduction
- How to Do a Competitor Analysis: A Step-by-Step Guide
- Contextual Inquiry; An Introduction
- Designing, Prototyping and Construction
- User Interface and User Experience (UI/UX) Design

Principles of Graduate and Professional Learning (PGPL)

Learning outcomes are assessed in the following areas:

1. Knowledge and skills mastery (K&S)
2. Critical thinking and good judgment (CT)
3. Effective communication (EC)
4. Ethical behavior (EB)

Course Objectives:

- o Demonstrate effective academic writing skills
- o Demonstrate a working knowledge of the design process
- o Demonstrate reflective thinking skills in the design process using digital applications
- o Engage in discussion on integral hard/soft technologies in MAS and HCI
- o Analyze and present evaluative feedback on current digital media technology issues

Core Competencies:

The core competencies of this course include the following:

- o Research - analyze and present an effective design process using digital applications
- o Using Digital Applications and the design process – demonstrate effective project management and digital design and development skills
- o Demonstrate effective team-based communication and collaboration

Teaching and Learning Methods

During this class, students will:

- Conduct in-depth examination of the design process using digital media applications.
- Complete assignments meeting the criteria set by instructor, including technical viability and end-user desirability.
- Stay informed through online video lectures and meetings using Zoom Video.
- Present the completed project assignments using persuasive visual and oral communication techniques within the allotted time.

Learning Outcomes:

Upon completion of this course, the student will	RBT*	PGPL	Assessment
1. Conduct in-depth examination of the design process using digital media applications..	Evaluation	K&S, CT and EC	Writing, Presentation, and Explanation
2. Demonstrate a working knowledge of the design process.	Synthesis	K&S and CT	Digital Application Project(s)
3. Demonstrate reflective thinking skills in the design process using digital applications.	Creating, Evaluating, Analyzing	K&S, CT, and EC	Creating Digital Media Productions
4. Using Digital Applications and the design process – demonstrate effective project management and digital design and development skills.	Creating, Evaluating, Analyzing	K&S, CT, and EC	List, Outline Plan, Report, Summary
5. Demonstrate effective academic writing skills.	Creating, Evaluating, Analyzing	K&S, CT, and EC	Report/Paper

Grading Scale

Letter Grade	Points	%	Outcome
A	325- 350	93%	Excellent Achievement
B	290 -324	83%	Good performance and quality of work
B-	255 -289	73%	Average performance and quality of work
C	0 - 254	70%	Unacceptable work (Course must be repeated for credit)

No credit toward major, minor, or certificate requirements are granted for a grade below B-

Assignments/Deliverables/Presentations

Assignment #1 - Case Study 1	25
Assignment #2 - Competitor Analysis	25
Assignment #3 - Team Project Design Spec	25
Assignment #4 - Case Study 2	25
Assignment #5 – Team Project Presentation	25
Assignment #6 – Solo Project Design Spec	25
Assignment #7 – Solo Project Competitor Analysis	25
Assignment #8 - Low Fidelity Prototype	25
Assignment #9 – Final Design App	50
Assignment #10 –Creative Brief Paper	100
Total Points Possible:	350

The Weekly Schedule is a separate PDF document and is available in the Files Section in Canvas.

Assignments – Check the Weekly Schedule for Lectures, Class Activities, Reading Assignments and Assignment Deliverables with Due Dates. The Weekly Schedule is in PDF format. Students should print a copy of this document and refer to it frequently.

Importance of professional oral, written, and visual communication skill: in this graduate class, it is important that students demonstrate effective communication skills, presenting their deliverables with a high degree of clarity, brevity and persuasion.

EXPECTATIONS, GUIDELINES, AND POLICIES

Attendance:

A basic requirement of this course is that you will participate in all class meetings, whether online or face-to-face, and conscientiously complete all required course activities and assignments. Class attendance is required for classroom-based courses. It entails being present and attentive for the entire class period. Attendance shall be taken in every class. If you do not sign the attendance sheet while in class, you shall be marked absent. Signing the attendance sheet for another student is prohibited. The instructor is required to submit to the Registrar a record of student attendance, and action shall be taken if the record conveys a trend of absenteeism.

Only the following are acceptable excuses for absences: death in the immediate family (e.g. mother, father, spouse, child, or sibling), hospitalization or serious illness; jury duty; court ordered summons; religious holiday; university/school coordinated athletic or scholastic activities; an unanticipated event that would cause attendance to result in substantial hardship to one's self or immediate family. Absences must be explained with the submission of appropriate documentation to the satisfaction of the instructor, who will decide whether missed work may be made up. Absences that do not satisfy the above criteria are considered unexcused. To protect your privacy, doctor's excuses should exclude the nature of the condition and focus instead on how the condition impacts your attendance and academic performance.

Missing class reduces your grade through the following grade reduction policy: You are allowed one excused or unexcused absence. More than three absences result in an F in the course. Missing class may also reduce your grade by eliminating opportunities for class participation. For all absences, the student is responsible for all covered materials and assignments.

Incomplete:

The instructor may assign an Incomplete (I) grade only if at least 75% of the required coursework has been completed at passing quality and holding you to previously established time limits would result in unjust hardship to you. All unfinished work must be completed by the date set by the instructor. Left unchanged, an Incomplete automatically becomes an F after one year. <http://registrar.iupui.edu/incomp.html>.

Deliverables:

You are responsible for completing each deliverable (e.g., assignment, paper, project) by its

deadline and submitting it by the specified method. Should you miss a class, you are still responsible for completing the deliverable and for finding out what was covered in class, including any new or modified deliverable. In fairness to the instructor and students who completed their work on time, the grade on a late deliverable shall be reduced 50%. Any assignment delivered after the 50% reduction date will not be graded.

COVID-19 Policy for Fall 2020

Indiana University is concerned for the health and well-being of the entire community. The nature of COVID-19 is such that each of our individual actions affects not only our personal well-being but also those of every other person with whom we interact or share a space. Given the fluidity of the current situation, students and faculty alike will need to be adaptable and flexible as events may occur that necessitate a change in the course schedule or mode of delivery. To minimize the disruption that might occur if a student falls ill or is unable to attend classes for some other legitimate reason, class materials must be made available electronically to students unless the nature of the work makes this impossible.

To keep the IUPUI community safe, it is expected that every member of this course acknowledges the following university guidelines.

Masks

All students are expected to sign the [Student Commitment Form](#). Agreement to abide by the public health measures outlined in the form is a condition of physical presence on the campus this fall. Included in that commitment are requirements for wearing masks in all campus buildings and maintaining physical distancing in all campus buildings. Both are necessary classroom requirements that will help keep our community safe.

1. All students and instructors must arrive to class wearing a mask over their mouth and nose. If a student does not have a mask, the student must pick up a disposable mask (available throughout campus) before joining the class session.
2. If a student enters a class without wearing a mask, the student will be told by the faculty member that they must put one on.
3. If a student refuses to put on a mask after being instructed to do so, the instructor will request that the student leave the class and will [file a Public Incident Report](#) with the [Office of Student Conduct in the Division of Student Affairs](#). If the student refuses to leave, the faculty member will end the class immediately, and [file a Public Incident Report](#) with the [Office of Student Conduct in the Division of Student Affairs](#).

4. If a student comes to class without wearing a mask a second time and again refuses to put it on, the student will be told to leave and will be advised that they can only attend the online version of the course, if such option is available, for the remainder of the semester. The faculty member will again [file a Public Incident Report](#) with the [Office of Student Conduct](#).
5. If the course is not available online, the student will be informed that the in-person course is the only option and they will be given one more opportunity to return to class and wear a mask.
6. If a student appears in class without a mask a third time the student will be administratively withdrawn from the course and will again be referred to the [Office of Student Conduct](#). The student will not receive a refund of tuition or fees.
7. Students should check for additional syllabus guidelines regarding additional PPE for laboratory classes.
8. Students who have concerns about wearing masks for medical reasons should request an accommodation from Adaptive Educational Services. (Contact: aes@iupui.edu or 317-274-3241.)

Student Absences

Consistent with the Student Commitment Form, students unable to attend class due to COVID 19 policy or another serious illness will:

1. notify their instructor and follow [campus guidelines](#) regarding a safe return to campus;
2. not be penalized for class absences assuming they make up missed assignments in a timely fashion, in consultation with (and at the discretion of) the instructor; and
3. be provided reasonable accommodations to access all course materials and will be given the opportunity to complete missed assignments online as is practicable.

IUPUI Policy on Disability Accommodations

Students needing accommodations because of disability will need to register with [Adaptive Educational Services \(AES\)](#) and complete the appropriate forms issued by AES before accommodations will be given. The AES office is located in Taylor Hall, UC 100. You can also reach the office by calling 317-274-3241 or emailing aes@iupui.edu.

IUPUI Policy on Religious Holidays

IUPUI respects the right of all students to observe their religious holidays and will make reasonable accommodation, upon request, for such observances. Students seeking accommodation for religious observances must submit a request in writing to the course instructor by the end of the second week of the semester and should use the [Request for Course Accommodation Due to Religious Observance Form](#). More information is available in the [IUPUI Policy on Religious Holidays](#).

IUPUI Policy on Academic Integrity

The IU Code of Student Rights, Responsibilities, and Conduct states that students must uphold and maintain academic and professional honesty and integrity; the code defines academic misconduct as any activity that tends to undermine the academic integrity of the institution. Students engaging in academic misconduct may therefore receive penalties from their course instructor and disciplinary action from the university. Policies against academic misconduct apply to all course-, department-, school-, and university-related activities. Academic misconduct may involve human, hard-copy, or electronic resources and includes but is not limited to the following: cheating, fabrication, plagiarism, interference, violation of course rules, and facilitating academic dishonesty. For definitions of these activities, visit the [Definitions](#) appendix on the Student Code website. For information on how faculty and students are expected to handle cases involving academic misconduct, visit [Academic Misconduct](#) on the Student Code website. Additional information about the rights and responsibilities of IU students is available in the [Code of Student Rights, Responsibilities, & Conduct](#).

IUPUI Policy on Sexual Misconduct

What you should know about sexual misconduct: Title IX and IU's Sexual Misconduct Policy prohibit sexual misconduct in any form, including sexual harassment, sexual assault, stalking, and dating and domestic violence. If you have experienced sexual misconduct, or know someone who has, the university can help.

If you are seeking help and would like to speak to someone confidentially, you can make an appointment with:

- Counseling & Psychological Services (CAPS) at 317-274-2548 (counseling services)
- Confidential Advocacy Resources at 317-274-5715 or saadv@iupui.edu
- IUPUI Student Health Center at 317-274-2274 (University Blvd. location) or 317-274-8214 (West Michigan St. location) (health and medical services)

It is also important that you know that Title IX and university policy require faculty to share any information brought to them about potential sexual misconduct with the campus Deputy Title IX Coordinator(s) or IU's Title IX Coordinator to ensure that appropriate measures are taken and resources are made available. Protecting student privacy is of

utmost concern, and information will only be shared with those that need to know to ensure the university can respond and assist.

Find more information about sexual violence, including campus and community resources on the [IU's Stop Sexual Violence website](#).

- [Stop Sexual Violence: Frequently Asked Questions](#)

IUPUI Non-Discrimination Policy

Indiana University prohibits discrimination on the basis of age, color, disability, ethnicity, sex, gender identity, gender expression, genetic information, marital status, national origin, race, religion, sexual orientation, or veteran status. If you feel like you have been discriminated against, please contact IUPUI's Office of Equal Opportunity (OEO). OEO is located in Lockefield Village, LV 4443. You can reach the office by calling 317-274-2306.

IUPUI does not tolerate acts that are damaging to our safe, civil, and inclusive community—and neither should you. If you experience or witness an incident of bias, you should report it. For more information, see [Student Incident Reporting](#).

Military Related Personnel Statement

IUPUI recognizes that National Guard Members, Reservists, veterans and active duty military personnel have special circumstances such as upcoming deployments, drill requirements, disabilities, and required veterans affairs health appointments. Students are encouraged to communicate any military related obligations that affect their educational pursuit, in advance if possible, to the instructor.

The Office for Veteran and Military Personnel (OVMP) is committed to serving all the needs of our military related student population including but not limited to providing advice, guidance, advocacy, and services assisting in the transition from military life. If you are a student Veteran, National Guardsman, Reservists, Active Duty Member or a military dependent and need any assistance with your transition, please contact the OVMP by visiting the Campus Center, Room 268, emailing gibenefi@iupui.edu, or phoning 317-278-9163. Thank you for your service.

Two-Step Login (Duo)

IUPUI students are required to enroll in Two-Step Login (Duo) to gain access to sensitive documents and Canvas using IU login credentials. The security of student information is critical. Be sure to bring your primary device (like a cellphone or tablet) to class, so you can log in to secure IU systems. Also, make sure you have a backup device like a hardware token

or Google Voice. If you get stuck without a working device, the UITS Support Center can give you a bypass code, but you will need to verify your identity.

To learn more about or get help with two-step login, consult the following resources:

- [Help for Two-Step Login \(Duo\)](#)
- [Two-Step Login \(Duo\) device recommendations](#)
- [Contact your campus IT Support Center](#) (for locations of UITS Support Centers and phone numbers and a chat feature).

IUPUI STUDENT MANUAL

CODE OF CONDUCT

All students should aspire to the highest standards of academic integrity. Using another student's work on an assignment, cheating on a test, not quoting or citing references correctly, or any other form of dishonesty or plagiarism shall result in a grade of zero on the item and possibly an F in the course. Incidences of academic misconduct shall be referred to the Department Chair and repeated violations shall result in dismissal from the program.

All students are responsible for reading, understanding, and applying the *Code of Student Rights, Responsibilities and Conduct* and in particular the section on academic misconduct. Refer to *The Code > Responsibilities > Academic Misconduct* at <http://www.indiana.edu/~code/>. All students must also successfully complete the Indiana University Department of Education "How to Recognize Plagiarism" Tutorial and Test. <https://www.indiana.edu/~istd> You must document the difference between your writing and that of others. Use quotation marks in addition to a citation, page number, and reference whenever writing someone else's words (e.g., following the *Publication Manual of the American Psychological Association*). To detect plagiarism instructors apply a range of methods, including Turnitin.com. <http://www.ulib.iupui.edu/libinfo/turnitin>

Academic misconduct:

Cheating: Cheating is considered to be an attempt to use or provide unauthorized assistance, materials, information, or study aids in any form and in any academic exercise or environment.

- a. A student must not use external assistance on any "in-class" or "take-home" examination, unless the instructor specifically has authorized external assistance. This prohibition includes, but is not limited to, the use of tutors, books, notes, calculators, computers, and wireless communication devices.
- b. A student must not use another person as a substitute in the taking of an examination or quiz, nor allow other persons to conduct research or to prepare work, without advanced authorization from the instructor to whom the work is being submitted.
- c. A student must not use materials from a commercial term paper company, files of papers prepared by other persons, or submit documents found on the Internet.
- d. A student must not collaborate with other persons on a particular project and submit a copy of a written report that is represented explicitly or implicitly as the student's

individual work.

- e. A student must not use any unauthorized assistance in a laboratory, at a computer terminal, or on fieldwork.
 - f. A student must not steal examinations or other course materials, including but not limited to, physical copies and photographic or electronic images.
 - g. A student must not submit substantial portions of the same academic work for credit or honors more than once without permission of the instructor or program to whom the work is being submitted.
 - h. A student must not, without authorization, alter a grade or score in any way, nor alter answers on a returned exam or assignment for credit.
2. **Fabrication:** A student must not falsify or invent any information or data in an academic exercise including, but not limited to, records or reports, laboratory results, and citation to the sources of information.
 3. **Plagiarism:** Plagiarism is defined as presenting someone else's work, including the work of other students, as one's own. Any ideas or materials taken from another source for either written or oral use must be fully acknowledged, unless the information is common knowledge. What is considered "common knowledge" may differ from course to course.
 - a. A student must not adopt or reproduce ideas, opinions, theories, formulas, graphics, or pictures of another person without acknowledgment.
 - b. A student must give credit to the originality of others and acknowledge indebtedness whenever:
 1. directly quoting another person's actual words, whether oral or written;
 2. using another person's ideas, opinions, or theories;
 3. paraphrasing the words, ideas, opinions, or theories of others, whether oral or written;
 4. borrowing facts, statistics, or illustrative material; or
 5. offering materials assembled or collected by others in the form of projects or collections without acknowledgment
 4. **Interference:** A student must not steal, change, destroy, or impede another student's work, nor should the student unjustly attempt, through a bribe, a promise of favors or threats, to affect any student's grade or the evaluation of academic performance. Impeding another student's work includes, but is not limited to, the theft, defacement, or mutilation of resources so as to deprive others of the information they contain.
 5. **Violation of course rules:** A student must not violate course rules established by a department, the course syllabus, verbal or written instructions, or the course materials that are rationally related to the content of the course or to the enhancement of the learning process in the course.
 6. **Facilitating academic dishonesty:** A student must not intentionally or knowingly help or attempt to help another student to commit an act of academic misconduct, nor allow another student to use his or her work or resources to commit an act of misconduct.

OTHER POLICIES

1. **Administrative withdrawal:** A basic requirement of this course is that students participate in all class discussions and conscientiously complete all required course activities and/or assignments. If a student is unable to attend, participate in, or complete an assignment on time, it is the student's responsibility to inform the instructor. If a

student misses more than half of the required activities within the first 25% of the course without contacting the instructor, the student may be administratively withdrawn from this course. Administrative withdrawal may have academic, financial, and financial aid implications. Administrative withdrawal will take place after the full refund period, and a student who has been administratively withdrawn from a course is ineligible for a tuition refund. Contact the instructor with questions concerning administrative withdrawal.

2. **Civility:** To maintain an effective and inclusive learning environment, it is important to be an attentive and respectful participant in lectures, discussions, group work, and other classroom exercises. Thus, unnecessary disruptions should be avoided, such as ringing cell phones, engagement in private conversations, and other unrelated activities. Cell phones, media players, or any noisy devices should be turned off during a class. Texting, surfing the Internet, and posting to Facebook or Twitter during class are generally not permitted. Laptop use may be permitted if it is used for taking notes or conducting class activities. Students should check with the instructor about permissible devices in class. IUPUI nurtures and promotes “a campus climate that seeks, values, and cultivates diversity in all of its forms and that provides conditions necessary for all campus community members to feel welcomed, supported, included, and valued” (IUPUI Strategic Initiative 9). IUPUI prohibits “discrimination against anyone for reasons of race, color, religion, national origin, sex, sexual orientation, marital status, age, disability, or veteran status” (Office of Equal Opportunity). Profanity or derogatory comments about the instructor, fellow students, invited speakers or other classroom visitors, or any members of the campus community shall not be tolerated. A violation of this rule shall result in a warning and, if the offense continues, possible disciplinary action.
3. **Communication:** For classroom-based courses, the instructor or teaching assistant should respond to emails by the end of the next class or, for online courses, within two Indiana University working days, which excludes weekends and holidays. The instructor should provide weekly office hours or accept appointments for face-to-face, telephone, or teleconferenced meetings, and announce periods of extended absence in advance.
4. **Counseling and Psychological Services (CAPS):** Students seeking counseling or other psychological services should contact the CAPS office by phone at 274-2548 or email at capsindy@iupui.edu. For more information visit <http://life.iupui.edu/caps/>.
5. **Course evaluations:** Course evaluations provide vital information for improving the quality of courses and programs. Students are urged to complete one course and instructor evaluation for each section in which they are enrolled at the School of Informatics and Computing with the following three exceptions: (a) The student has withdrawn from the course; (b) fewer than five students are enrolled in the section (in which case maintaining anonymity is difficult); and (c) the section is a laboratory that must be taken with a course having a different section number. Course evaluations are completed at <https://soic.iupui.edu/app/course-eval/>. Course evaluations are typically open from the eleventh week. Course evaluations are anonymous, which means that no one can view the name of the student completing the evaluation. In addition, no one can view the evaluation itself until after the instructor has submitted the final grades for the course. In small sections, demographic information should be left blank, if it could be used to identify the student.
6. **Disabilities policy:** In compliance with the Americans with Disabilities Act (ADA), all

qualified students enrolled in this course are entitled to reasonable accommodations. Please notify the instructor during the first week of class of accommodations needed for the course. Students requiring accommodations because of a disability must register with Adaptive Educational Services (AES) and complete the appropriate AES-issued before receiving accommodations. The AES office is located at UC 100, Taylor Hall (Email: aes@iupui.edu, Tel. 317 274-3241). Visit <http://aes.iupui.edu> for more information.

7. **Email:** Indiana University uses your IU email account as an official means of communication, and students should check it daily for pertinent information. Although you may have your IU email forwarded to an outside email account, please email faculty and staff from your IU email account.
8. **Emergency preparedness:** Safety on campus is everyone's responsibility. Know what to do in an emergency so that you can protect yourself and others. For specific information, visit the emergency management website. <http://protect.iu.edu/emergency>
9. **IUPUI course policies:** A number of campus policies governing IUPUI courses may be found at the following link: http://registrar.iupui.edu/course_policies.html
10. **No class attendance without official enrollment.** Only those who are officially enrolled in this course may attend class unless they are enrolled as an auditor or making up an Incomplete by prior arrangement with the instructor. This policy does not apply to those assisting a student with a documented disability, serving in an instructional role, or administrative personnel. <http://registrar.iupui.edu/official-enrollment-class-attendance.html> Children may *not* attend class with their parents, guardians, or childcare providers.
11. **Right to revise:** The instructor reserves the right to make changes to this syllabus as necessary and, in such an event, will notify students of the changes immediately.
12. **Student advocate:** The Student Advocate provides assistance to students with personal, financial, and academic issues. The Student Advocate Office is located in the Campus Center, Suite 350. The Student Advocate may also be contacted by phone at 317 274-4431 or by email at studvoc@iupui.edu. For more information visit <http://studentaffairs.iupui.edu/advocate>.

MISSION STATEMENT

The Mission of IUPUI is to provide for its constituents' excellence in

- Teaching and Learning;
- Research, Scholarship, and Creative Activity; and
- Civic Engagement.

With each of these core activities characterized by

- Collaboration within and across disciplines and with the community;
- A commitment to ensuring diversity; and
- Pursuit of best practices.

IUPUI's mission is derived from and aligned with the principal components—Communities of Learning, Responsibilities of Excellence, Accountability and Best Practices—of Indiana University's Strategic Directions Charter.

STATEMENT OF VALUES

IUPUI values the commitment of students to learning; of faculty to the highest standards of teaching, scholarship, and service; and of staff to the highest standards of service. IUPUI recognizes students as partners in learning. IUPUI values the opportunities afforded by its location in Indiana's capital city and is committed to serving the needs of its community. Thus, IUPUI students, faculty, and staff are involved in the community, both to provide educational programs and patient care and to apply learning to community needs through service. As a leader in fostering collaborative relationships, IUPUI values collegiality, cooperation, creativity, innovation, and entrepreneurship as well as honesty, integrity, and support for open inquiry and dissemination of findings. IUPUI is committed to the personal and professional development of its students, faculty, and staff and to continuous improvement of its programs and services.

Important Supplement for IUPUI Syllabi

IUPUI Policy on Disability Accommodations Students needing accommodations because of disability will need to register with Adaptive Educational Services and complete the appropriate forms issued by AES before accommodations will be given. The AES office is located in Taylor Hall, UC 100. You can also reach the office by calling 274-3241.

IUPUI Policy on Religious Holidays IUPUI respects the right of all students to observe their religious holidays and will make reasonable accommodation, upon request, for such observances. Students seeking accommodation for religious observances must submit a request in writing to the course instructor by the end of the second week of the semester and should use the Request for Course Accommodation Due to Religious Observance Form. More information on the IUPUI Policy on Religious Holidays is available here: <http://registrar.iupui.edu/religious.html>.

IUPUI Policy on Academic Integrity: The IU Code of Student Rights, Responsibilities, and Conduct states that students must uphold and maintain academic and professional honesty and integrity; the code defines academic misconduct as any activity that tends to undermine the academic integrity of the institution. Students engaging in academic misconduct may therefore receive penalties from their course instructor and disciplinary action from the university. Policies against academic misconduct apply to all course-, department-, school-, and university-related activities. Academic misconduct may involve human, hard-copy, or electronic resources and includes but is not limited to the following: cheating, fabrication, plagiarism, interference, violation of course rules, and facilitating academic dishonesty. For definitions of these activities, visit

<http://studentcode.iu.edu/responsibilities/academicmisconduct.html>. For information on how faculty and students are expected to handle cases involving academic misconduct, visit <http://registrar.iupui.edu/misconduct.html>. Additional information about the rights and responsibilities of IU students is available at <http://studentcode.iu.edu/>.

IUPUI Policy on Sexual Misconduct As your instructor, one of my responsibilities is to help create a safe learning environment on our campus. Title IX and our own Sexual Misconduct policy prohibit sexual misconduct. If you have experienced sexual misconduct, or know someone who has, the University can help.

If you are seeking help and would like to speak to someone confidentially, please visit <http://stopsexualviolence.iu.edu/help/index.html> (Links to an external site.) for contact information.

It is also important that you know that federal regulations and University policy require me to promptly convey any information about potential sexual misconduct known to me to our campus' Deputy Title IX Coordinator or IU's Title IX Coordinator. In that event, they will work with a small number of others on campus to ensure that appropriate measures are taken and resources are made available to the student who may have been harmed.

Protecting a student's privacy is of utmost concern, and all involved will only share information with those that need to know to ensure the University can respond and assist.

The IUPUI syllabus supplement was created by the IUPUI Office of Academic Affairs and the Center for Teaching and Learning. 8.04.2016

I encourage you to visit stopsexualviolence.iu.edu (Links to an external site.) to learn more about available resources on campus and in the community.

Education and Title VI Title VI of the Civil Rights Act of 1964 protects people from discrimination based on race, color or national origin in programs or activities that receive Federal financial assistance.

Programs and activities that receive ED funds must operate in a non-discriminatory manner. These may include, but are not limited to: admissions, recruitment, financial aid, academic programs, student treatment and services, counseling and guidance, discipline, classroom assignment, grading, vocational education, recreation, physical education, athletics, housing and employment, if it affects those who are intended to benefit from the Federal funds.
